

## **Electronic Notification Authorization and Consent**

Asher College uses electronic communication methods to deliver important notifications relevant to both active and nonactive students. These notifications may include subject matter consisting of but not limited to: a student's enrollment status, SAP/attendance, academic status, career placement, current and future privacy notices and disclosures, Financial Aid notifications, State/Title IV refund calculations as well as financial information directly or indirectly related to the student and/or their parent.

Voluntary consent to participate in electronic transactions is required for all matters stated above as well as all financial information provided or made available to student loan borrowers and for all notices and authorizations to FSA recipients required under 34 CFR 668.165. (The Electronic Signatures in Global and National Commerce Act or E-Sign Act)

Email and text communications will be sent from an official Asher College email or text line and to the email address and telephone number you provided upon enrollment. If at any time during your enrollment, your personal information changes (i.e. email, phone number, address, etc.), you must notify the Student Services and/or Financial Aid office so that your student profile can be updated.

As a current student you are notified annually of the opportunity to change the options from what was originally selected at enrollment, to either accept email and text or to opt out.

Any changes to the type of electronic notification is done at the campus with staff.

You may request paper copies for all matters stated above by contacting your local campus's Student Services and/or Financial Aid Office via telephone, email and/or in person.
