October 15, 2025 -Updates to the Catalog

ECPP Enrollment Process

Catalog page 13 now reads:

ABILITY TO BENEFIT (ATB) & ELIGIBLE CAREER PATHWAY PROGRAM (ECPP)

An applicant who is not a high school graduate or has not passed the GED may also be eligible for admission if they are eligible for the Eligible Career Pathway Program (ECPP) through Ability to Benefit (ATB).

Ability to Benefit (ATB) admission is available on a limited basis and is available for certificate programs only and is campus specific. Students who are admitted to the College under the ATB designation will be required to attend academic advising throughout their program and will be monitored for participation.

Additionally, all applicants must still complete all previously outlined admissions requirements and must take and pass an independently administered, nationally standardized test recognized and approved by the United States Department of Education that measures basic skills in reading and arithmetic.

The College offers one Ability to Benefit classification through Accuplacer. The student cannot sign an enrollment agreement until they pass the below Accuplacer ATB test.

The Accuplacer ATB minimum scores		
Reading: 233	Writing: 235	Arithmetic: 230

After successfully completing the test, the student will need to seek admission through the Eligible Career Pathways Program (ECPP).

ELIGIBLE CAREER PATHWAY PROGRAM (ECPP)

Students enrolled in ECPP will be concurrently enrolled in one of the college's qualified vocational training programs and the Adult Education program offered through C4L Academy. The goal is for the student to be able to work towards earning an Adult Education High School Diploma while being able to work towards completing an Asher vocational training program concurrently. The Adult Education program is offered by an approved adult education service provider (C4L Academy) and not by the College.

The student is required to attend classes in the Adult Education Program and is expected to participate in those classes. The Adult Education program is offered remotely online and will also be available on campus, in a computer lab and will have an ECPP Coordinator available to support the students. The ECPP Coordinator will monitor participation and meet with the students as needed to provide academic advisement.

CANCELATION AND REFUNDS

Catalog page 24, the first two paragraphs now read:

CANCELATION AND REFUNDS

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

If the Enrollment Agreement is cancelled, the school will refund the student any money they paid, less the registration fee (not to exceed \$200.00).
